

Reading Club

'Ways To Live Forever' is a fantastic novel from an extraordinarily talented writer, Sally Nicholls. Chosen by our Reading Ambassadors after checking the reviews, this book did not disappoint: funny and honest, it is one of the most powerful and uplifting books we have ever read. Although it tells the sad story of a young boy who has leukaemia, **'Ways to Live Forever'** is achingly beautiful, a mix of genuinely laugh-out-loud funny moments and tear-jerking parts. We loved this book and we are highly recommending it. **A*******
